YAAM (Yumederma Academy of Aesthetic Medicine) is a dedicated platform built to support and advance clinical excellence in aesthetic medicine and dermatology. We are committed to hands-on training, evidence-based education, and professional collaboration for dermatologists, plastic surgeons and postgraduates across India and beyond.

At YAAM India, our mission is to empower aesthetic dermatologist with real-world clinical skills that translate from the workshop to the clinic. Our curriculum is designed for those who want to refine their technique, elevate their knowledge, and deliver superior patient outcomes through structured learning and supervised practice.
